# MEN'S HEALTH WEEK

Monday 9th - Sunday 15th June 2025

### Shoulder-to-Shoulder Connecting for Health

## What can I do to mark this week? ...

#### Absolutely everyone can do something to support and celebrate Men's Health Week (MHW) 2025 ...

When males play sport together, or work on a communal task, we know what is meant by men standing 'shoulder-to-shoulder'. They are unified, strong, resolute, focused, supportive and connected. They give 100% and do the best job that they can.

During <u>Men's Health Week 2025</u>, everyone is being asked to put these positive traits into action, and to work together to support the health of men and boys on the island of Ireland.

'Connecting for Health' is about: policy makers ensuring that men have the resources to live long and healthy lives; service providers offering appropriate tools, advice and support to males; men taking small practical steps to improve their own health; everyone looking out for and after each other ...

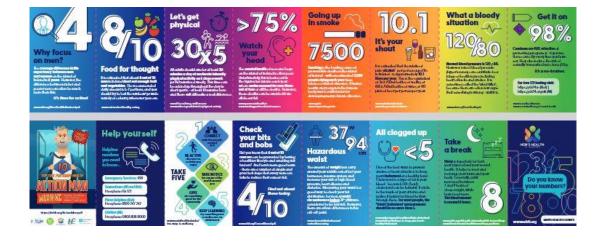

During Men's Health Week 2025, everyone is being asked to set themselves simple, realistic and practical tasks to make positive changes to the health of men and boys.

However, you don't have to stick rigidly to this particular theme. Anything which promotes the week and encourages men and boys to lead healthier lifestyles, to be more aware of preventable health problems, and to seek early detection and treatment for health difficulties will be very welcome.

In Ireland, there is a MHW poster, postcard, logo and a social media image pack which can be used by everyone who wishes to raise awareness of the week. All of these images are available for free online downloading at: <a href="http://www.mhfi.org/mhw/mhw-image-pack.html">www.mhfi.org/mhw/mhw-image-pack.html</a> There is also a free, 'Action Man' booklet which offers ten top tips on how to improve your health, and a ready-made pool of social media messages. Visit <a href="http://www.mhfi.org/mhw/mhw-2025.html">www.mhfi.org/mhw/mhw-2025.html</a> for details on how to access these materials, as well as to find out more about MHW this year.

These resources are important promotional tools - as one of the key aims of MHW is to let as many people as possible (especially men) know about the week, when it will happen, and how they can get involved. So, why not begin by sending / giving the men you know a copy of this year's MHW 'postcard' and/or a copy of the <u>Men's Health in Numbers Z-Card</u> ...

## Even if you don't have a lot of time, energy or resources to give, there are still some really easy (and FREE) ways that you can show your support ...
